- **ALL General Education courses, lower-level education courses, and examinations required by the College of Education** must be completed for official admission to the BS degree program in music education. The **FTCE** (Florida Teacher Certification Exam), which includes the **GKT** (General Knowledge Test), the **Ped** (Professional Education Exam), and the **SAE** (Subject Area Examination in Music) must be taken before entering the internship and successfully completed for the degree and for Florida teacher certification. A copy of the GKT results must be given by the student to the College of Education Internship Office immediately upon receipt.
- **Liberal Arts Exit** requirements in **Major Works/Major Issues** are satisfied by music courses. The **Literature & Writing** course is waived by USF for teacher education music majors.
- **Gordon Rule** Communication requirements (12 credit hours in ENC 1101, 1102, PHH 2000, and MUL 2111) and Computation requirements (6 credit hours) are satisfied through General Education courses.
- The **CVPA** requirement for a course in art, dance, or theatre is waived for teacher education music majors.

Available to students of all catalog years, this BS degree curriculum was approved by USF on 11-08-04 and is effective immediately.
